

St. Thomas Presbyterian Church in Houston seeks a full-time solo pastor with at least two years of pastoral experience. We are a warm, loving suburban church with about 120 members. Our mission is to welcome all, serve our neighbors and grow in relationship with Jesus Christ. Our vision is to be transformed by faith, transforming through service. We are a Christ-centered community that loves God, our church and one another. Our church provides a pastor with opportunities to serve the Lord both within the congregation and in the community at large. We house a daycare program for low-income families. Harris County, TX uses our facility twice a month for supervised visits for families under court order. We have an emergency food bank and are a Meals on Wheels distribution center and a certified Red Cross Emergency Center. We provide Grace Bags, which include hygiene items, food and a list of local resources. We also helped establish and continue to be active in The Outreach Center of West Houston (OCWH), which was established in 1996 on the property of St. Thomas. It is now home to 10 non-profits, providing numerous services to children, youth and adults in the community. In addition, our facilities provide an inviting performance space for musicians and artists to share their gifts with those around us, both during worship and in special events. Our campus is also used by a boy scout troop, which we sponsor, and an AA support group. You may view our MDP #12748 on the CLC website, or you may contact us at [PNC@stthomaspc.org](mailto:PNC@stthomaspc.org).

The job description includes:

Provide spiritual guidance to the congregation.

Organize worship services and engage in dynamic, relevant, and spiritual sermons.

With Congregational Care Committee assistance, provide comfort (including visits to shut-ins) to those who are hurting, spiritually and/or physically.

Supervise activities of the St. Thomas staff.

Plan and organize the session meetings with the assistance of the Clerk of Session.

Moderate meetings of the St. Thomas Session.

Be a resource for church committees as they conduct the business of the church.
